

ONE DAY WORKSHOP ON USE OF ICT FOR TEACHING LEARNING

The IQAC, B. H. College organised a one-day workshop on the use of ICT for teaching and learning on 30/01/2023. Three in-house resource persons delivered hands on teaching class regarding various aspects of the college portal, use of smart boards for engaging classes and the use of library resources. Dr. Rabinjyoti Khataniar oriented the teaching faculty of the institution regarding the use of

teachers' portal for taking online attendance, disbursement of class related documents, online class management system and the process to keep the teachers' profile updated. Mr. Manish Kiling oriented the faculty with how to properly and effectively use the smart boards. Miss Tribeni Pathak oriented the faculties with the use of library resources such N-List, library attendance etc.
