From the Principal

It is indeed a great privilege on my part to offer a warm welcome to all who desire to pursue their studies in this premier institution of higher education which was accredited with grade 'A' by NAAC in 2016. The college, which celebrated its golden jubilee recently with much pomp and gaiety, came into being in 1966 as the cumulative consequence of the noble initiative and painstaking efforts collectively undertaken by a host of leading citizens and the general public of greater Howly and Barpeta Road area under the leadership of Sjt. S. N. Das, the founder principal of the college. The college can now boast of a student enrolment of over 3000 and a faculty strength of nearly 80 and an alumni of several thousand well established in different fields. The present infrastructure of the college comprises spacious classrooms along with a number of smart classrooms, the big central library, well-equipped laboratories, hostel provisions for both men and women, canteen facilities, a large playground and Indoor Stadiums and many more support services.

Since 1969, when a student stood fifth in the Pre-University (Arts) Examination, students of this college have been producing brilliant results in various final examinations. The students of the present generation are expected to carry forward that legacy of pride and glory. With a dedicated and sincere brigade of teachers, it is our mission to provide quality education to our students. We have initiated the process of using the information and communication technologies in the teaching-learning process to enable the students reap the benefits of advancement of technology.

The success of any mission depends on the collective efforts, co-operation and concerted action of all the stakeholders. It is my earnest appeal to all to come forward and help us in achieving our goal. Let us join hands to make our college one of the best in India and to make the dream of the founding fathers a reality.

to emerge as the only full-fledged three faculty institution in Lower Assam under Gauhati University. The college was accorded UGC recognition in the year 1969 and it had also achieved the distinction of B++ Accreditation by NAAC in 2003. During the session 2015-16 the 2nd cycle of NAAC assessment of B. H. College was completed and Peer Team sent by NAAC visited the college on 28th, 29th & 30th April, 2016. The college was accredited with 'A' (CGPA 3.11) grade by NAAC on 25th May, 2016 which is quite satisfactory for the entire college family and the local public.

The strength of this institution lies in its academic achievements and healthy environment. A rural college, essentially catering to the academic needs of local youth coming from families of cultivators and Principal Sri Satya Nath Das is the man who did the job with admirable success. The armature of this institution is strong enough to meet the growing challenges of Higher Education.

LOCATION

Historically famous and conveniently situated, Barbarijhar Reserve is the location of the College. This Barbarijhar was originally the capital of Raghudev Rai, the son of Chilaraya, the brother of Koch King Narnarayan. It is situated in the middle point of Barpeta Road and Howly, on the western side of the N.H. 31. The College comprises 33 acres of land shaped in a semi-circular form and bordered by the dead river 'Manas'. The location of the College is far from the din and bustle of towns and cities. Valuable trees and lush-green vegetation lend to the institution a pastoral magnanimity and sylvan serenity. Though sequestered, the location of the College reminds us the concept of 'Sangrilla' or in other-words 'Gurukulashram'.

MISSION AND GOAL

The institution aims at imparting knowledge of various disciplines amongst the youths of rural and semi-urban populace of the region to make them responsible and competent to meet the challenges of modern world and contribute towards the uplift of the society.

Besides, it endeavours to set an example of unity and integrity among different sections of people of the locality.

Examinations:

Examinations, whether internal or external, theory or practical, would be counted separately for the purpose of considering a student as passed or failed.

Rules:

- If a student does not appear in a paper (internal or external, theory or practical) in an examination, the student will be considered as failed in the examination of that paper. Any failed paper will be called "Arrear". In case, a student fails in any one or more papers in an end semester examination she/he can appear in all the papers in which she/he has failed. Under no circumstances, she/he will be allowed to re-appear in the "passed" papers(s).
- A student having "Arrear" in a particular examination, either in theory or practical paper shall be allowed to clear the same in the next available end-semester examinations, with the following restrictions:
 - No student will be allowed to appear in the first and fifth semester examinations simultaneously.
 - No student will be allowed to appear in the second and the sixth semester examinations simultaneously.
- The first and the fifth semester examination will be held simultaneously. The third semester examinations will be held separately. Similarly the second and sixth semester examinations will be held simultaneously. The fourth semester examinations will be held separately.
- A student may be allowed once to "re-appear" in any one of the major theory papers in the first, second and the third semester examination for betterment of marks if the candidate secures pass marks in all papers. Student will be allowed to "Re-appear" only in the next similar examination. Whichever is the higher mark obtained between the earlier or in the subsequent examination, will be awarded to the student.

- v) No "betterment" shall be allowed in the internal/practical examinations in any Semester.
- vi) A student must pass all her/his semester examinations, including "Arrear" and "betterment" chances within six years from the date of admission to the First Semester course in TDC. In this context six years, means six academic session from the date of admission in the first semester. If any student fails to do so, she/he will have to take fresh admission in the first semester. Subject to the said condition, a student who could not appear or failed in any semester examination will be allowed to clear the same as follows:

Student's performance shall be monitored throughout the Semester by continuous assessment in the theory and practical courses. Evaluation of the Student's performance in each of the theory and practical paper will be based on the following

- Internal Evaluation : 20% Marks.
- External Evaluation : 80% Marks.

Internal Evaluation shall be based on attendance, sessional examinations, 75% or above class attendance, home assignment, seminar, and library work in each semester.

Pass Marks:

The Pass Marks are as follows:

- Theory Paper : 30%
- Practical Paper : 40%

For a student to pass in any paper s/he should pass in both internal and external examinations of each paper (theory and practical) separately.

In case of 'Project Work', it shall be a separate paper with separately allotted marks and cannot be treated as part of any other theory/practical paper. Pass mark for project work is 50%.

Number of Attempts:

- A student who fails in one or more papers can re-appear in the said paper(s) by appearing in the next similar examination, subject to registrations mentioned in the clause 3.
