From the Principal

It is indeed a great privilege on my part to offer a warm welcome to all who desire to pursue their studies in this premier institution of higher education which was accredited with grade 'A' by NBAC in 2006. The college, which celebrated its golden jubilee recently with much pomp and gaiety, came into being as a result of the cumulative consequence of the noble initiation and painstaking efforts collectively undertaken by a host of leading citizens and the general public of greater Howrah and Barpoita Road area under the leadership of Sri. S. N. Das, the founder principal of the college. The college has now boast of a student enrolment of over 3000 and a faculty strength of nearly 80 and an alumni of several thousand students well established in different fields. The present infrastructure of the college comprises spacious classrooms along with a number of smart classrooms, the big central library, well-equipped laboratories, hostel provisions for both men and women, canteen facilities, a large playground and Indoor Stadium and many more support services.

Since 1962, when a student stood fifth in the Pre-University (P.U.) Examination, students of this college have been producing brilliant results in various final examinations. The students of the present generation are expected to carry forward that legacy of pride and glory. With a dedicated and earnest brigade of teachers, it is our mission to provide quality education to our students. We have initiated the process of using the information and communication technologies in the teaching-learning process to enable the students reap the benefits of advancement of technology.

The success of any mission depends on the collective efforts, co-operation and concerted action of all the stakeholders. It is my earnest appeal to all to come forward and help us in achieving our goal. Let us join hands to make our college one of the best in India and to make the dreams of the founding fathers a reality.

B. H. College - A Profile

ORIGIN

The origin of B. H. College dates back to January 1964 when Late Jaded Chandra Das, an eminent citizen, mooted the idea for establishing a College at Howly. Accordingly, a public meeting was held at Howly Chand: Barua Bhawan with Late Abdul Kader Choudhury, (Mauzadar) as President, and, all those who were present very much appreciated the idea and unanimously decided to establish the College at the earliest. It was further decided that the leading persons from different communities of Barpeta Road should also be apprised of the necessity of a College and a joint attempt be made for establishment of an 'Ideal College' in this locality.

A general meeting of the representatives of Howly and Barpeta Road was held on 24-5-64 at 3 p.m. in the premises of G. N. B. Memorial High School, Barpeta Road, under the presidentship of the then Chairman of Barpeta Road Municipality Board, Mohanlal Choudhury and it was resolved that- "A college, an ideal college, be established with the co-operative efforts of the people of the Howly and Barpeta Road area for meeting the increasing demand for higher education of the people of this locality."

The first general public meeting was held on 12-6-64 at the G. N. B. Memorial High School premises under the Chairmanship of the then S.D.O. (Civil) Barpeta, Kamal Chandra Majumdar, who galvanized the spirit to see the idea realized.

Noble thoughts may take time to conceive but little time to deliver. In no time, the intense desire and untiring efforts of founding fathers lit the light of B. H. College initially only with Arts faculty in the year 1966. The selfless devotion & sacrifice of the local people have graduated this institution into a famous college in Assam and now it is standing with glory as their cherished offspring.

The opening of the Commerce Stream in 1973 and subsequently Science Stream in 1988 and post-graduation in Commerce in 1990 enabled this institution

IMPORTANT GUIDELINES FOR TDC STUDENTS UNDER SEMESTER SYSTEM

Duration:

A TDC shall be of Six semesters covering three Calendar Years (Academic Sessions- June to May)

The overall duration of the semester is given below.

Odd Semester (First, Third and Fifth): June to November

Even Semester (Second, Fourth and Sixth): December to May

The dates and duration mentioned in the concerned Academic Calendar will be in consonance with the above schedule as far as practicable.

Each student must take admission in three (3) consecutive Academic Sessions starting with the first semester. Students who do not enroll in 2nd Academic Session will not be eligible to take admission in three (3) Academic Sessions.

Examinations:

Examinations, whether internal or external, theory or practical, would be counted separately for the purpose of considering a student as passed or failed.

Rules:

- i) If a student does not appear in a paper (internal or external, theory or practical) in an examination, the student will be considered as failed in the examination of that paper. Any failed paper will be called "Error". In case, a student fails in any one or more papers in an end semester examination she/he can appear in all the papers in which she/he has failed. Under no circumstances, she/he will be allowed to re-appear in the "passed" papers only.
- ii) A student having "Error" in internal examination, either in theory or practical paper shall be allowed to clear the same in the next available end-semester examinations, with the following restrictions:
 - a) No student will be allowed to appear in the first and fifth semester examinations simultaneously.
 - b) No student will be allowed to appear in the second and the sixth semester examinations simultaneously.
- iii) The first and the fifth semester examination will be held simultaneously. The third semester examinations will be held separately. Similarly the second and sixth semester examinations will be held simultaneously, the fourth semester examinations will be held separately.
- iv) A student may be allowed once to "re-appear" in any one of the major theory papers in the first, second and the third semester examination for betterment of marks if the candidate secures pass marks in all papers. Student will be allowed to "Re-appear" only in the next similar examination. Whichever is the higher mark obtained between the earlier or in the subsequent examination, will be awarded to the student.
- v) No "betterment" shall be allowed in the internal/practical examinations in any Semester.
- vi) A student must pass all her/his semester examinations, including "Error" and "betterment" chances within six years from the date of admission to the First Semester course in TDC. In this context six years, means an academic session from the date of admission in the first semester. If any student fails to do so, she/he will have to take fresh admission in the first semester. Subject to the said condition, a student who could not appear or failed in any semester examination will be allowed to clear the same as follows:

- ii) First semester with regular third semester examinations.
 - iii) Second semester with regular fourth semester examinations.
 - iv) Third semester with regular fifth semester examinations.
 - v) Fourth semester with regular sixth semester examinations.
- vi) There shall be no scope for a student to appear as Private Candidate in any subject in TDC.

Marks and Evaluation:

The evaluation of each theory paper of any semester is based on the student's performance in two examinations - (i) Internal and (ii) External. Student's performance shall be monitored throughout the Semester by continuous assessment in the theory and practical courses. Evaluation of the Student's performance in each of the theory and practical paper will be based on the following:

- i) Internal Evaluation - 20% Marks.
- ii) External Evaluation - 80% Marks.

Internal Evaluation shall be based on attendance, sessional examinations, 75% or above class attendance, home assignment, seminar, and library work in each semester.

Pass Marks:

The Pass Marks are as follows:

- i) Theory Paper - 30%
- ii) Practical Paper - 40%

For a student to pass in any paper s/he should pass in both internal and external examinations of each paper (theory and practical) separately.

Passing a TDC in any subject DOES NOT automatically implying "Qualifying in Major", if any. The following rules apply for the Bachelor Degree in any subject with Major.

- i) Simple Pass: 30% to 39% marks in aggregate i.e. from a minimum of CGPA 4.00 but less than CGPA 5.00.
- ii) Pass with Major: 40% marks or above in aggregate in major subjects i.e. from a minimum of CGPA 5.00.

In case a student with Major in any subject gets less than 40% marks in aggregate (i.e. minimum CGPA less than 5.00) in the Major subject, but 30% or above (i.e. minimum CGPA of 4.00 or above but less than 5.00) s/he shall be declared as Simple Pass.

In case of Project Work, it shall be a separate paper with separately allotted marks and cannot be treated as part of any other theory/practical paper. Pass mark for project work is 50%.

Number of Attempts:

- i) A student who fails in one or more papers can re-appear in the said paper(s) by appearing in the next similar examination, subject to regulations mentioned in the clause 3.
- ii) A student who has completed a semester may be allowed to proceed to the next semester, irrespective of number of papers where the student failed.
- iii) In order to complete a course, a student must obtain pass marks in all the papers of TDC course.
- iv) A student having failed to sit in his examination term in the last semester, may be allowed to appear in the second semester examinations if all other eligibility criteria are fulfilled.

Academic Departments

Accountancy

Year of Establishment	: 1973
Location	: 2nd Floor, Main Building

History : The department was opened in 1973 when the Governing Body of the college decided to introduce Commerce Stream in this college. Since then, Accountancy has remained a core department of this stream. Ram Avatar Sarda was the founder teacher of this department who played a prominent role in developing this department as well as the Commerce Faculty as one of the most successful academic departments of the college. After his retirement he was appointed as the President of B. H. College Governing Body by the Govt. of Assam for a tenure of 5 years from 2009 to 2014. Along with Sarda, Rajendra Kumar Jajodia, Sheikh Abdul Hamid and Prabin Maheshwari have served sincerely and have been able to produce a large number of brilliant students. Every year a good number of students secure 1st class in this subject in the University Examinations. On several occasions students of this department have occupied top rank in the Degree and PG Examinations. Dr. Ghanashyam Nath, a distinguished student of the department served here as a teacher for a few years and later joined Gauhati Commerce College, first as faculty then as Principal. In 1992, Prabin Maheshwari, a brilliant product of this department joined this department as a teacher and has been serving till date. Binod Ch. Swarghary, another alumnus of the department had served here for a brief tenure before his joining in Kokrajhar Commerce College. From this department, **Prabin Maheshwari** (1988), **Hemanta Kumar Agarwala** (1997), **Babita Kundra** (2006) and **Sumit Bhansali** (2008) have secured 1st class 1st in B. Com. Final Examinations. Library with reading room |

A healthy library reflects a healthy academic environment. The college library housed in a separate building has a huge stock of 49,904 books, 1235 reference books and 20 manuscripts. Besides, it has a well furnished reading room for both students and teachers equipped with newspapers, periodicals, journals and reference books. Further, it has a separate provision for research scholars. For details, students can visit our library website <http://www.google.com/scholar/coll/library> where they can access more than 9000 (five thousand) online e-journals free of cost covering different subjects.

Men's Hostel |

B. H. College Men's Hostel established in 1972 offers accommodation to 85 students at a minimum rent. It receives students from various parts of the state to the institution. However, admission into the hostel is strictly on merit basis and other relevant considerations. It is to be noted that ragging of any form is strictly prohibited.

Women's Hostel |

To attract meritorious girl students from different parts of the state, the college has two buildings for women's hostel. Besides an assam type building constructed in 1977, a new multi-storied building was constructed in 2008. Both the building together accommodate 109 students. Boarder can stay and study in a homely environment.

Canteen |

To serve delicious and hygienic food and beverages to the students as well as teachers and employees, the college has two canteens. Canteen No. 1 with a sitting capacity of nearly 100, caters a wide range of snacks and beverages at a reasonable price. Canteen No. 2 provides various fast food items.

Guest House cum Conference Hall |

Guest House cum Conference Hall is another pride of the college. It was constructed in the year 2003 with the contribution of the teachers. It provides added facilities for holding various meetings and conferences.
