

INFORMATION BROCHURE

PHYSICS OLYMPIAD, 2023

Organised by

Assam Physical Society

(Registration No. : RS/KAM/240/J/213 of 1999-2000)

AIM :

The state level PHYSICS OLYMPIAD has been organised over the years with a vision to inculcate among the students the zeal for physics and to build a strong foundation of physics for national level competitive examinations. This examination serves as a platform for the students to measure their individual potentiality to solve problems and then to create a challenging and a competitive environment amongst them.
