---

### A Brief Summary of the Inaugural Session

*The Inaugural Session of the program was started with a Saraswati Bhandana, sung by Dr Piyali Roy, Assistant Professor, B.H.College. At the Inaugural Session, Vice Principal of the College, Mr. Ranjit Bhuyan welcome all the participants reporting from different universities and colleges and wish them successful completion of the program. Dr Rama Shanker, Head of the Department of Statistics, Assam University welcome the participants and explain the basic purpose of this workshop by quoting that the sense and beauty of research methodology which are very much essential for good research at Ph.D level, and how statistical techniques can be used in the analysis of data. Data is everywhere scattered and every moments we are getting huge data. Generally the data are stochastic in nature and it is very important to have the basic knowledge of all statistical techniques to get everything from the data that we need. Prof. Amrit Pal Singh, Head & Dean, Department of Commerce, Gauhati University, delivered the key note address highlighting the unparallel role of Statistics in social science research. Prof Sanjay Kumar Singh, Head, Library Information Science, Gauhati University was also delivered a speech as Guest of Honour. Prof Singh in his speech focuses on research ethics and plagiarism. The program was ended with a vote of thanks presented by joint convener Dr. Bhabananda Deb Nath.*
